

Chris Baker: Director – Telecoms Operator Business – Global

With ten years' experience focused on the telecoms industry, Chris has built up an extensive client network across telecoms operators in Europe, the Americas, the Middle East, Africa and Asia Pacific.

He has successfully supported numerous operator launches and has placed executives within organisations at all stages of their lifecycle, through launch, transformation, mergers and acquisitions. Focused solely on executive search, Chris has placed C-level candidates within many of the telecoms organisations operating in APAC, the Middle East and Africa at both a group and individual operating company level.
