

Richard Goddard: Managing Director, Technology

Richard has been working in recruitment for close to two decades, starting out in the high technology recruitment industry in 1991.

As Managing Director of the RP International Technology Practice, Richard heads up a global team of specialist recruiters working across mature and emerging technology markets.

Previously he held a number of senior positions at PSD Group plc where he built up a track record in the start-up and growth of teams in the UK, mainland Europe and Asia.

His personal specialization is in the semiconductor and high tech industry with a strong focus on mobile communications and lighting technologies

Key specialisms:

Semiconductors and Components

Lighting Technologies

Mobile Technologies

Solar Technologies
