

## **Robert Graham-Bryce: Director, Executive Search, Europe and CIS**

With 15 years experience in telecoms and technology recruitment in Europe and the US, Robert combines a deep understanding of the executive search market with an outstanding international network.

Trilingual in English, French and Italian, Robert has worked in the USA, UK, Italy, France and Germany. Highlights of his global career include establishing a US\$5m business in San Francisco and revitalising a French operation from loss to profit in two years.

Now focused on the emerging markets of Europe and the CIS, Robert has ties with the majority of operators and is building the brand in previously undeveloped markets.

### **Key specialism:**

C-level recruitment in telecommunications in Europe, Turkey and the CIS.

### **Example placements:**

CEO - Mobile Operator (Balkans)

CMO - Mobile Operator (Ukraine)

Head of Telco - IT Consulting Firm (Turkey)

Device Marketing Leader - Mobile Operator (Russia)

Head of PMO - Mobile Operator (Azerbaijan)
